PROVIDENCE STREET DIRECTORY

COPYRIGHT, SAMPSON & MURDOCK CO., 1910

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No 112 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Brigham Street from 101, showing that 1129 Westminster Street would come about half-way between Knight and Brigham Streets

COPYRIGHT, SAMPSON & MURDOCK Co, 1910
