COPY

You may have us write your copy or we will gladly work with you in an endeavor to give you the outsider's viewpoint as to just how your copy may be made most convincing.

LISTS

As directory publishers we have unusual facilities for compiling up-to-date lists of every description. Often clients use our master lists on a rental basis.

LETTERS

There are many methods now in use for producing letters. Those produced by our new process are exactly like typewritten copies.

MAILING

To handle mailing details accurately and quickly it is necessary to have plenty of space, the latest machinery, competent workers and careful supervision.

Providence House Directory

COPYRIGHT, 1929, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Streets.

A list of Householders and Business Places arranged in numerical order upon their respective streets; those upon the right side of a street appearing first, followed by those upon the left side.

The streets are arranged in alphabetical order.

The location of intersecting streets is clearly shown at the actual number where they intersect.

Business places are denoted by the street number printed in heavy-faced figures. When a person's place of business and residence are at the same place, it is indicated by the use both of heavy-faced figures for the street number and of the abbreviation h at the end of the line. Names preceded by light-faced figures and having no abbreviation after them are housekeepers.

The abbreviation r between the street number and the name signifies "rear".

You may be remembered a hundred years from now

It seems a long time in this era of change but it is a fact that the influence of our forefathers is often carried on for generations.

Especially in business and financial affairs is the record of the past liable to be of vast importance to the present.

The silent testimony of old directories is often accepted by courts as valuable evidence and too much care cannot be taken by business men to insure that all such records are accurate and complete.

Unlike most other mediums for advertising, the Directory is kept on file in many law and public libraries for years after its immediate usefulness as an address book has disappeared and it becomes a permanent record of the firms and individuals listed therein.

A very small sum insures adequate representation from year to year and such record may prove of great service at some future date.

For particulars consult

Sampson & Murdock Co.

509 WESTMINSTER STREET, PROVIDENCE, R. I.

YOU LIKE to Patronize those
Concerns Who are in Business
to Stay.

It's human to expect that such business establishments always stand back of the wares they sell.

The advertising in this Directory is suggestive of the stability and permanency of the advertisers.

Frauds, fakes, get-rich-quick and other schemers have little use for directory advertising. It lives too long.

The modern city directory is a business institution. It occupies a place peculiarly its own. It is as necessary to the progress and development of a city generally as anything naturally would be which deals with such a fundamental as the citizens themselves.

**IF YOU ARE NOT ADVERTISING YOUR
BUSINESS IN THE DIRECTORY, MAY WE
EXPLAIN HOW AND WHY IT WILL PAY
YOU?**

MAILING LISTS

To get maximum results from any mail campaign you should use extreme care in getting your list of prospects.

Often we find it advisable to address from our own Master Lists instead of having a client go to the expense of buying the names.

No matter what your list requirements may be, it can do no harm to talk with us about them.

Remember we furnish both national and local lists.

We offer a complete service including—Lists—Use of Lists—Addressing—Mailing—Copy Work—and Letters which are exactly like Typewritten Copies.
